

Name: _____

Date: _____

First Quarter Reflection: Be HONEST and SPECIFIC!

Homework:

1. What percentage of homework do you think you completed this quarter? Circle one:

0-25%

26-50%

51-75%

75-90%

90-100%

2. Describe the purpose of homework in math class.

3. How did YOU utilize homework this quarter? (Meaning: What were your main goals when completing homework?)

4. How could the teacher improve the design of your homework assignments next quarter?

Participation/Classwork:

5. Describe your completion of Do Nows. Did you begin them immediately and silently? Did you persevere for the entire time allotted? Did you try CHALLENGE problems, when they were presented? *How could you improve on Do Nows next quarter?*

6. Describe your completion of Exit Slips. Did you assess your participation checklist (the 8 points) honestly? Did you persevere on the writing *and* algebra problems? Did you attempt the CHALLENGE when you had extra time? *How could you improve on Exit Slips next quarter?*

7. Describe one element of your classroom behavior or participation that you did WELL with this quarter. (Do not include Do Now or Exit Slip time here.)

8. Describe one way you could improve your classroom behavior or participation next quarter. (Do not include Do Now or Exit Slip time here.)

Quizzes/Tests:

9. How did you prepare for assessments this quarter? Be as specific as possible.

10. How can you better prepare for assessments next quarter?

11. How can your teacher help you prepare better for assessments next quarter?

Miscellaneous:

12. Which Mental Math challenged you the most and why? *Use your tracking sheet for reference.*

13. Which Mental Math did you feel the most success with and why? *Use your tracking sheet for reference.*

14. Which Weekend Word Problem challenged you the most and why? *Use your tracking sheet for reference.*

15. Which Weekend Word Problem did you find the most success with and why? *Use your tracking sheet for reference.*

16. Please add any additional comments, questions or suggestions for your teacher here.
